v

In re:
CITY OF DETROIT, MICHIGAN
AND EMERGENCY MANAGER
KEVYN D. ORR

Debtor

Chapter 9
Case No. 13-53846
Hon: Steven W. Rhodes

**OBJECTION TO THE INHUMAN DECISION MAKING OF THE
GOVERNOR SYNDER AND THE EMERGENCY MANAGER KEVYN
ORR TO ARBITRARY AND CAPRICIOUSLY SHUT OFF WATER**

THE FOURTH AMENDMENT NOTICE WAS AFTER THE FACT, AND THERE WAS NO FIFTH AMENDMENT NOTICE IT WAS UNTIMELY, CONTRARY TO THE FACTS AND LAW MISREPRESENTATION OF THE BANKRUPTCY CODE AND RULES AND HAS NOT BEEN PRESENTED IN A GOOD FAITH MANNER.

We/I object to the Fourth and Fifth Amended Plans of Adjustment because of the State through Governor Rick Snyder who has violated his oath of office. When he through the emergency manager Kevyn Orr order a private company to arbitrary and capriciously shut off water of residents and citizens of the City of Detroit, in violation of their constitutional rights to due process with-

out notice and a meaningful hearing. See *Goldberg v. Kelly* 397 U.S. 254 (1970) citing *Armstrong v. Manzo*, U.S. 545, 552 (1965). Goldberg also said the decision maker must be impartial decision maker. In this case there should be a federal investigation and a hearing.

Governor Snyder took an oath of office under Article XI Section 1 of the Constitution of the State of Michigan to support the State of Michigan and United States Constitution. When Governor Rich Snyder approved and directed the emergency manager Kevyn Orr to have the water cut-off in a arbitrary and capriciously manner without any care and human responsibility like a communist dictator. He violated his oath of office when he approved or order the shutoff in violation of the residents and citizens Constitutional Rights to "due process of the law" under Article 1 section 2 of the Michigan State Constitution and the 14th Amendment of the Constitution of the United State. Also discriminatory against the poor and the less fortunate to be coerced to pay without due process or be deprived water. This is a violation also of 42 USC 1983 Civil action for deprivation of rights and 42USC 1985 conspiracies to interfere with Civil Rights.

This is also a violation of Article 1 Section 23 of Michigan State Constitution and IX Amendment of the Constitution to invoked Universal Declaration of Human Rights Articles 1, 5, 7, 8, 10.

No notice or hearing was provided to the residents and citizens. In the present context these principle require that a person have timely and adequate notice detailing the reasons for the notice and an effective opportunity to defend.

Goldberg v. Kelly 397 U.S. 254 (1970) citing Armstrong v. Manzo. Supra.

The decision of Governor Snyder and the Emergency Manager Kevyn Orr conspired by their action and was cruel in their action and in a sense punishment for being misfortune unable to pay a water bill for something that is a essential necessity of life to exist a "GOD" given element of life.

There action was shocking to conscious of people all over the world in the so-called richest country in the world depriving their residents and citizens a God given necessity. In the way that it was executed was cruel and unusual and violation of IX Amendment of the United States Constitution. Governor Snyder and the his side kick emergency manager Kevyn Orr contravened the Universal Declaration of Human Rights:

Article 1 All human being are born free and equal in dignity and rights. They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood.

Article 5 No one shall be subject to torture or to cruel, inhuman or Degrading treatment or punishment.

Article 7 All are equal before the law and are entitled without any dis-

crimination in violation of this Declaration and against any
Incitement to such discrimination

Article 8 Everyone has a right to an effective remedy by the competent
National tribunals for acts violating the fundamental rights
granted him by the constitution or by law.

Article 10 Everyone is entitled in full equality to a fair and public hearing
by an independent and impartial tribunal, in the determination
of his rights and obligations and of any criminal charge against
him.

We need Magistrate Judge Steven W. Rhodes to order an investigation
against the State of Michigan and to hold hearing on this matter in connection
with the Bankruptcy.

I/We hereby certify that the statements made herein are true and correct to the
best of my knowledge and belief, under penalty of perjury and contempt of
Court under the laws of the United States of America.
